

12th September 2012

Dear Customer,

Anglia have been advised by Omron that the following products have been changed:

Related product family : B3J

Related products : B3J series

Product description : tactile switch

OC Code : product code change : no

Headline: material change of plunger

Change / effective date: January, 2013

100% compatible replacement available (yes/no) : Yes

Related product family : B3F-4, B3F-5

Related products : B3F-4 and B3F-5 Series

Product description : tactile switch

OC Code : product code change : no

Headline: material change of plunger

Change / effective date: January, 2013

100% compatible replacement available (yes/no) : Yes

The modification does not effect the form, fit or function of the product.

Anglia operates a strict FIFO system in their distribution centre and therefore it may take some time for this change to filter through to customer deliveries.

Please ensure this information is circulated to the relevant personnel within your organisation to avoid any disruption to your production.

Yours sincerely
Anglia
