Title

Description of Change

PSI Technologies is moving facilities from Calamba Laguna to Binan Laguna facility which is owned by its parent company IMI- Integrated Micro-Electronics Inc. Full electrical characterization and high reliability testing will be completed on representative part numbers to ensure there is no change to device functionality or electrical specifications in the datasheet. Qualification / reliability plan and report are available when requested.

The move is planned for September 2021. Products with date code P2140 and later will be built in the IMI facility

Reliability results will be available at the time of final PCN . There will be no change to the Form, Fit, or Function of products affected. Final PCN will be issued in Q3'21.

Reason for Change

MAJOR AND MINOR CHANGE INFORMATION

Affected Product Specification (if applicable)
 *see unitedsic.com for datasheets

Detail of Potential Impact to Customer

Qualification Plan or Data (if applicable)

Customer Samples Available (if applicable)

Qualification Results Available (if applicable)

Identification of Changed Product (if applicable)

Supporting Data

Customer Acknowledgement/Responses

All Customer responses must be sent via e-mail to PCNResponse@Unitedsic.com When replying, please include the PCN number in subject line. Lack of acknowledgement of the PCN within 30 days constitutes acceptance of the change. After acknowledgement, lack of additional response prior to the planned implementation date constitutes acceptance of the change. An acceptance, concern, sample order request or a request for further information should be submitted to UnitedSiC in a timely fashion, (i.e., customer should not wait to the end of the review period before responding). If the customer requires additional time to perform sample testing, beyond the stated planned implementation date, an extension must be negotiated with UnitedSiC. Any contractual PCN agreements made with UnitedSiC supersede these requirements.
