

**18th December 2020****Notification of Change**

CamdenBoss wishes to inform you that the items listed below have been changed.

Type of Change:

Minor – Change does not affect function of product

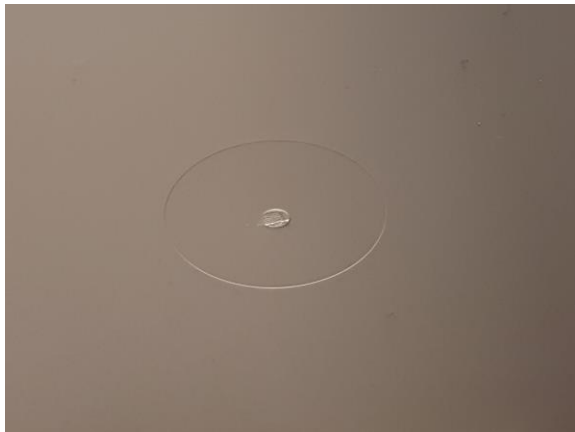

Affected Products:

All BIM2005 enclosures

Proposed date of change: Immediately

Effects of change;

The injection mould tool for the BIM2005 enclosure will now have a bush placed around the injection point which will leave a witness as shown below. This is a cosmetic change on underside of the enclosure base to aid with flow rates. It does not affect the fit, form or function of enclosure.

Best Regards
