PCN

New shockproof packaging for EPCOS RM 6 and RM 8 coil formers

The packing of the EPCOS RM 6 and RM 8 coil formers will be improved. Up to now, these coil formers were packed in bulk. In the future they will be plugged into polystyrene or polyethylene foam boards. This will make the packing more resistant against external mechanical shocks and other impacts during transport.

Affected products

Ordering code	Description
B65808E1508T001	RM 6 Valox 420SE0
B65812C1512T001	RM 8 Valox 420SE0

Pic 1: Bulk packaging - old

Pic 2: Stick in styrene packing - new

Schedule date of introduction: October 14, 2019
