CNN series: Size: 2A2 / TCR:25 (x10-6/K)

Customer part number: Several (part list upon request)

Description of change: Change to halogen-free marking material

Before change: non halogen-free material

After change: Halogen-free material

Reason for the change: Reduction of substances of environmental impact

Effective Date of the change: 03.08.2020

Product identification: Identify by production lot number

Sample availability: 02.03.2020

Quality and reliability: The marking colors before and after change are yellow and do not change.
The change is only the marking material and there is no influence on the characteristics.
