Product Change Notification for Thermally Protected Varistor: TMOV® Varistor Series PCN# 5241E

Littelfuse would like to notify you of a change relating to the UL logo marking on product surface and product packaging label (inner packing box). All current TMOV UR logo marking will be changed to cURus based on UL 1449 4th Ed. Rev: 2018-08-01 and CSA C22.2 No. 269.5-17, 2017-09 evaluation listed in UL file# E320116.

This change will take effective from April 22nd, 2019 and there will be no any changes to the part numbers, and product's electrical and dimensional specifications. Please refer to following current and new product and label marking.

Current UR marking on product surface

New cURus marking on product surface

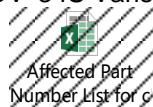

Current label with UR marking

New label with cURus marking

Affected Product Series: TMOV®14, iTMOV®14, TMOV®20, iTMOV®20, TMOV®25S and TMOV®34S Varistor Series. Please see attached the affected part number list.

Please respond to us by April 5th, 2019 to acknowledge notification of this change. If we do not hear from you then we will expect that this change has been accepted and no further action is required.

Best Regards
Johnny Chang
