

## Product/Process Change Notice - PCN 20\_0123 Rev. -

Analog Devices, Inc. Three Technology Way Norwood, Massachusetts 02062-9106

This notice is to inform you of a change that will be made to certain ADI products (see Appendix A) that you may have purchased in the last 2 years. **Any inquiries or requests with this PCN (additional data or samples) must be sent to ADI within 30 days of publication date.** ADI contact information is listed below.

**PCN Title:** Micro-Module, Test Site Transfer from Analog Devices Singapore to Analog Devices Penang, Malaysia

**Publication Date:** 28-Feb-2020

**Effectivity Date:** 01-Jun-2020 *(the earliest date that a customer could expect to receive changed material)*

**Revision Description:**  
Initial Release

**Description Of Change:**

Micro-Module, Test Site Transfer from Analog Devices Singapore to Analog Devices Penang, Malaysia.

**Reason For Change:**

Micro-Module devices are currently production tested at the Analog Devices Singapore (ADSG). The Analog Devices Singapore facility will be closed in calendar Q2,2021. It was a strategic decision from business standpoint to qualify Analog Devices Penang, Malaysia (ADPG) as a test site for micro-Module devices. After qualification and replication of necessary test capability, ADPG will serve as the primary test site facility to serve future demands. ADPG will use the same tester platform, test programs, monitors, and controls.

**Impact of the change (positive or negative) on fit, form, function & reliability:**

There will be no impact on fit, form, function and reliability of the product.

**Product Identification** *(this section will describe how to identify the changed material)*

Tested materials in Analog Devices Penang, Malaysia will carry the same catalog part, marking and branding. Traceability to test site is maintained through lot number marking.

**Summary of Supporting Information:**

Test correlation and validation has been performed per ADI's standard product site to site and/or platform change correlation procedure. See attached Qualification Report.

**Supporting Documents**
