

Product change notification (PCN)

Title / short description	Spring opener material change (revision increase, because other FMC 1,5 family items have been added)
Affected article category	PCB terminal blocks and PCB connectors
Change category	Material
Change number	NAA200003-01

Purpose/objective of the change

Material change for spring levers

Detailed description of the change

As part of our continuous product improvement process and, in particular, to ensure supply capability within our globally networked supply chains, the plastic material of the spring levers is being changed from PBT to a higher grade, fiberglass-reinforced PBT material. Due to impending production downtime, the material has already been in use since calendar week 16. The technical properties of the connectors are not affected by this change, and therefore remain unaltered. As of calendar week 21, the spring opener of the FMC 1,5 family will also be changed over

Identifying characteristics

Start of Production (SOP)	-	Last Time Delivery (LTD)	-
Effective date (EOP)	2020-05-18	End of Service (EOSR)	-
End of Sales (EOS)	-		

Short-term change (< 6 months) or discontinuation (< 12 months), due to:
