Dear Customer,

Anglia have been informed by the manufacturer Studiomate that the below listed parts will have a change of plating material from Silver to Tin.

A10F720
A10F740
A10F820
A10F840

This change is being made due to the closure of the plant which had been supplying the Silver.

Anglia operates a strict FIFO system in our Distribution Centre therefore it may take some time for this change to filter through to customer deliveries of the above part numbers.

Please make the relevant person(s) in your organisation aware of this change.

Yours Sincerely
Anglia
