Dear Customer,

Anglia have been advised by the supplier STUDIOMATE that due to new tooling as the old tooling has gone beyond it's serviceable life span, there are dimensional changes to part A11F740

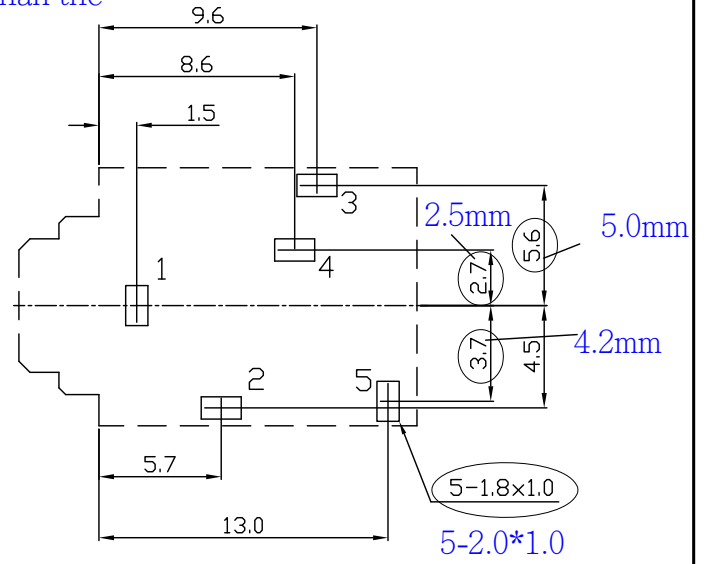

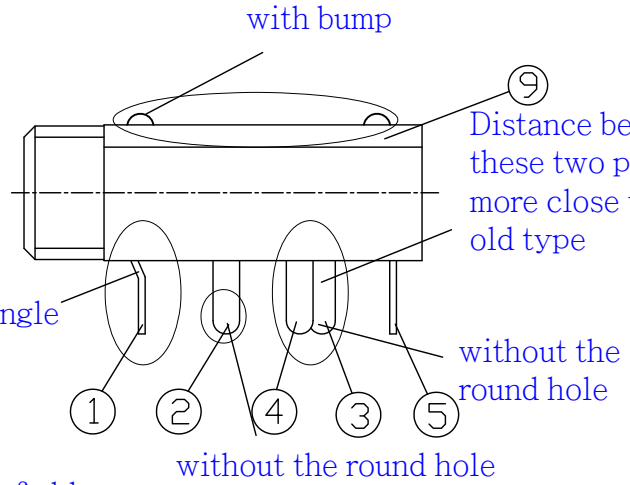

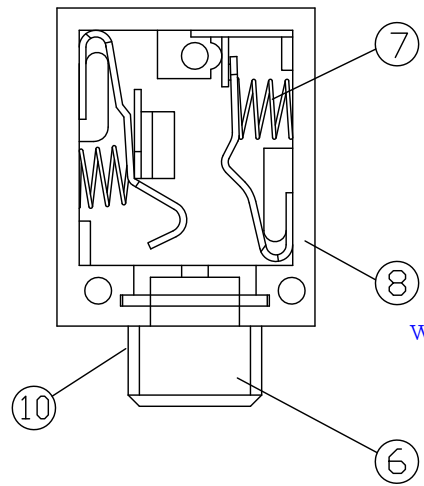

Attached below are the old and the new dimension for your evaluation

Anglia operates a strict FIFO system within our Distribution Centre therefore it may take some time for the new product to reach customers.

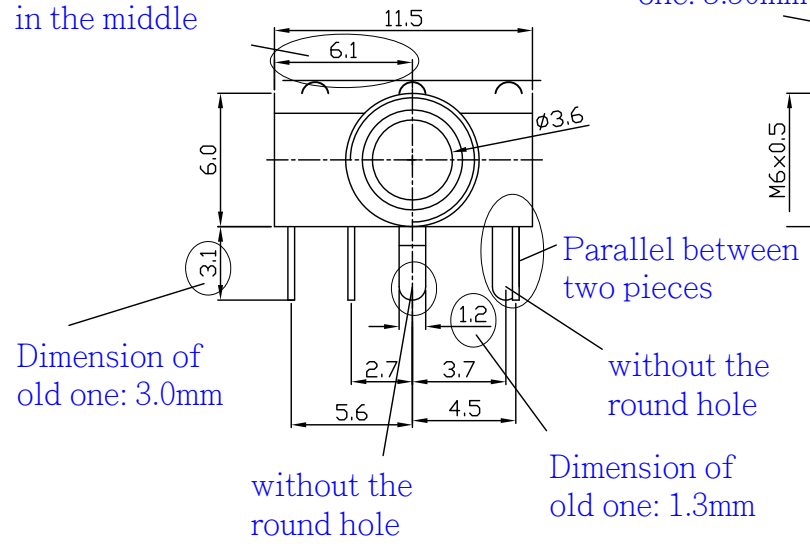

Please make the relevant personnel within your organisation aware of this notification.

Yours Sincerely

Anglia
