Dear Customer,

Anglia have been advised by the manufacturer Taicom that the tooling for the series listed below has been updated with immediate effect, this is due to the old tooling being beyond its serviceable life.

Taicom advise they have also taken this opportunity to revise the mouldings to improve the efficiency and yield of the production process. The revised parts have some minor dimensional and cosmetic appearance changes which do not impact the form, fit or function of the parts. Attached below are the old and new data sheets for comparison purposes.
