

## NOTICE OF PRODUCT CHANGES – CELLPAC LITE

Dear CellPac LITE Partner,

Further to recent communications, our work to improve and strengthen our CellPac LITE portfolio of products continues. This announcement relates to the last planned round of product changes in 2015. We have a strong desire to continue to offer all running parts where possible, and also to improve the technical capabilities of those parts where possible.

The summary of changes is as follows.

VARTA Storage hereby announces changes to the part number and technical performance of following product(s):

Current P/N	Current Description	New P/N	New Description
